# How to teach your child the importance of self care

The background is a soft, watercolor-style wash of pink and light blue. Scattered throughout are numerous small, blue, one-eyed monsters with gear-like bodies and tiny legs. Interspersed among these are several red hearts of various sizes. At the bottom, two children are depicted. On the left, a young boy with dark skin and short brown hair, wearing a green t-shirt and tan shorts, is hugging a large red heart. On the right, a young girl with light skin and short brown hair, wearing a blue t-shirt and tan shorts, is also hugging a large red heart. A speech bubble originates from the boy's head, containing the text. The overall theme is self-love and self-care.

**We can't hug your friends  
but you can still give  
yourself some love by  
giving yourself a hug.**
