# How to teach your child the importance of self care

The background is a soft, watercolor-style mix of pink and light blue. Scattered throughout are numerous small, blue, one-eyed monsters with gear-like heads and tiny legs. Interspersed among these are several red hearts of various sizes. At the bottom, a boy and a girl are shown. The boy, on the left, has dark skin and is wearing a green shirt and tan shorts; he is hugging a large red heart. The girl, on the right, has light skin and brown hair with a yellow bow, wearing a blue shirt and tan shorts; she is also hugging a large red heart. A large speech bubble originates from the boy's head, containing the text. The overall theme is self-love and self-care.

**We can't hug your friends  
but you can still give  
yourself some love by  
giving yourself a hug.**
